

#INVOLVE

OUR SHORT FILM

STEPS TO  
AWARENESS

ACTIONS WE  
TAKE

#INFORM#EDUCATE#INVOLVE

# ACTIONS WE TAKE

## INFORM

- presentation on the use of plastic and its negative effects on the environment
- brochure on the theme of what is plastic and what can be done to raise awareness
- we made a short film about what can we do

## educate

- making and playing a small quiz called KAHOOT.
- making and disseminating a board game about reducing the use of plastic and its effects on our lives.
- making and playing taboo game.
- making and teaching cup game about plastics
- writing newspaper and creating some puzzles about topic

## INVOLVE

01. play board games, taboo, kahoot, word hunt, crossward puzzle, which are related to project

02. do presentations for awareness

03. collect some garbage nearby to raise awareness
